

## REMARKS/ARGUMENTS

In the Notice of Non-compliant Amendment, dated as mailed June 27, 2008, the Examiner indicated that the amendments to the specification in Applicants' Amendment of May 22, 2008 referred to the amended paragraphs by paragraph numbers instead of page and line numbers. Also, the Examiner pointed out that some of the underlining and strikethroughs from the prior amendment were re-incorporated. Applicants have corrected these deficiencies in the present amendment. Applicants respectfully request entry of the above amendments to the present application, which have been made in accordance with 37 CFR 1.121. Applicants submit that the claims are now in condition for allowance.

In the event the examiner wishes to discuss any aspect of this response, please contact the attorney at the telephone number identified below.

The Commissioner is hereby authorized to charge payment of any fees associated with this communication or credit any overpayment to Deposit Account No. 090441.

Respectfully submitted,

Dated: July 28, 2008
